

AEF Short Wellbeing Survey (Version 3)

This survey asks questions about how you are feeling and how you are moving your body. This is about you and your thoughts - there are no right or wrong answers.

Your answers will be shared with researchers. They will use them to help other people to feel happier and healthier.

You don't have to fill out this survey, and you can stop or change your mind at any time.

If you have any questions about the survey, or you're not sure how to answer a question, you can ask an adult to help you.

Please tick this box if you have read this information and you are happy to fill out the survey ☐

How are you doing? How are things going in your life?

Please make a mark on the scale to let us know. The closer to the smiley face, the better things are.

The closer to the frowny face, things are not so good.

Me
(How am I doing?)

Family
(How are things in my family?)

School
(How am I doing at school?)

Everything
(How is everything going?)
